Jobcase Job Posting Network

Jobcase is where employers can find a new audience of workers, who are active every day.
With Jobcase, employers can:

- Reach more workers with our massive scale, network and insights – reducing cost to hire.
- Access workers who aren't on job boards–expanding their audience and reducing time to hire.
- Identify and connect with the workers who match their hiring needs.

Jobcase Flexible Job Slots

Post, repost and replace jobs as much as you like in a single job slot! Job slots let you post when you need, for as long as you need, all for a low monthly subscription fee. Instead of buying another job posting every time you have a new role, Jobcase Flexible Job Slots allows you to swap out one of the jobs you have already posted and re-use your job slot. It's great for companies who are "always hiring", or expect to have multiple positions open.
